**PROJECT REALIZATION**

The background of the entire image is a blurred photograph of a person in a dark suit and white shirt. Their right hand is reaching down and touching a tablet. The tablet screen shows a blue, glowing digital interface with concentric circles and dots. Overlaid on the image are various digital graphics: a network of white hexagons and lines with small blue dots at the intersections in the top-left and bottom-left corners; and several vertical lines of varying heights with small blue squares and dots at their tops, scattered across the center and right side.

# DEMO!

Now, it's time for demo !  
Scan the QRCode to join the Discord  
server and join the quizz !
